Thank you for the update! Should I keep passing emails on, if you two aren't included?

Joyel, are you the point person in the EPA office?

Liz,

I have the CDPHE/AG contact list and gave it to the folks in the EOC. They had just sent the website URL and Sit. Report to the folks they had on their list, which wasn't quite as complete as ours. They asked that folks share with their colleagues. I told them that the AGs office needed to be included, too.

All,

I need an update on the Animas release please. The attorney general's office is entirely out of the loop and the AG is asking for a briefing. Thanks.
